## A Stayed Course

Fossil tray bistro, alert revealed:  
a desperate shade of pantry tiled  
efflorescent,  
wheel alert as menu credit.

Severed blood a phosphate offer,  
serpentine enamel mix.  
Zombie transfer exits.

A reversible mandate legend  
itemized  
leather  
scrutiny.

Tangential mustard rafters  
elicit strong thoroughfare margins,  
their  
enlargement.  
At the helm's  
fixation

a latitude slowly mustered,  
an advanced altitude. Swollen negation  
nonplused  
its consequence  
to an amplified  
pundit stream

## After the Rain

accidental occidental taciturn umbrella  
shakes the fallen makers in the mold  
no umbrage taken hold the hot fortuna  
misting runic glyphs to sun-red dawn

scalding metaphors  
respect the blanket  
overlooking vacant cliffs

its stellar burning its acrid turning  
holds the tall breakers cold calling  
not bold not engaged urns tumid

Past rosters decimate the nail  
derailing pilasters to fibrous currency

## Angles of Transport

Fruit-looped guacamole transits  
hustle blustered acronym tickets,  
carting blanched traces to gates  
of animus kingdoms enamored  
with luminous cannabis entrails  
or feted majesties of justification:  
all the ways that print would see  
if not perfectly full, then left off  
right at center's fork-tuned edge  
ticketing text as flickering canvas  
for their stately varicose display,  
a blockage heartily subsumed  
in stalls of metered vengeance  
castigating oats and haymakers  
gobbling sugar cubes at walls  
of their own, a quaking hybrid  
relaying its congenital dismay  
at the splayed hooves canting  
geometry through an inability  
sheer as any black negligee  
shedding its bare hypotenuse  
for any of its sublingual trestles  
replaying all domino theories  
falling before checkerboards  
in atria of strangled theorems.

## An Opposition

## **At an Exhibition**

Influenza martini transoms  
the handsome trolley's bare mix,  
a rector set. Its fixed sites

writing motion memoirs as halls

Rare sectors freed subtle textures,

## At Random

The naked claim effronteries,  
the causal beaches. Odd, eclair  
uprooted creme dements wrought  
stained crystal. War's symphonic leisure

upended anatomies. Consequent  
wail crossed breathing with punting  
arsenal. Wilting tactiles attitudinal tilt

lapidary junctures. Hunting rubric  
plethoral virus caught glutinous strain.  
Muscles ached, tame mountebanks  
braking, same contusions spread  
different raucous stares. At breach

raking tame, confronted nasal reaches.

## Behind the Hunger Market

Trapezoidal tapestries  
outhunger the few  
now naked to the invisible eye

A terse geometry unfolds  
its roster:

numerical dissidents  
placards waving their placid dysease

Conundrum splatters  
retroactive gradients grit slush  
crested lapidary casualties smell the grotto

A crescent unfolds, iridescent  
plumage bold as turquoise menthol

emphatic tissue merchants

## Big Game

Cataleptic truants freeze  
under jack-hunting headlights,  
the encircled perimeters disgorging  
crestfallen aviary sonatas.  
Prescient with full moon armature  
locked against a sullen vest,  
no tidy amateurs replay  
the auteur's role under  
the shortfall of brightening shadows.  
Tractor suppositories implode  
the hand-held gesture,  
filing rough edges of gesticulations  
grown tired with envy. Their call  
to penumbral tropes inveighs  
tactile folly, isotopes their  
practical core. Legions of light  
relay seven points of fictive ego  
amusing as moonlit factotums  
edging warily toward the bucks  
shot before going on the chase.

## Blue Ribbon Cutting

Tangential orange blister  
naked as canopy

its heartfelt swagger  
crustily so:

primordial statements, arboreal wagers

the dread apothecary's slip.

Aging festers against skin's gentle

bluster. Braking slows, the ordeal  
primes berating, a blue solitude

Plantain rapture crusted

## Caustic Obligato

Triadic discoloration  
fits the pondered suit: mnemonic displays,  
observant.

The keyboard, as. Its numenal

repetitive visceral triplets beat

## Cautionary Causeway

The tentacle flash of pyramids  
eludes the laureate sensor's smile.  
A cache of myriad samples inures  
the photos of demotic ancestors  
phlebitic to their privileged runes

& sunsets ignore the orator's intense.  
Lewdness fortifies the lyrical mind of orchids  
dotting

the hues of their insensate histories  
crying the drama of the archipelago  
amidst glories intersected.

The intestate chorus sings crude tentacles  
including the insect orchestra, traffic jams riffing  
tall stiff breezes through tunnels, their great renown  
shuffling the density of strictures. Before the myth

deplores the storied chords,  
a sense of wisteria bleeds the past  
of landings

unheralded as blue  
in the visible night.

Nor mentors task

its torrents stalking

Before the risible id detects erectile function

## Censoring Depravation

Pectoral ammunition pullets

## Commanding Presents

Deltoid remainders  
its fragmented imperative,  
sluices the fluent amber

trenchant.

Hollows of remorse  
thicken a limber tenderloin  
where crab grass outstretches

its demurred paramour,  
a lasting abridgement  
never to be outdone

in the annals of flexible entries

Their ribald entreaty  
reminds us to augment  
the declaration:

crackling somber asterisks

Random intimidation factoids  
demolish lectures half-past renown.  
Conjecture polishes the last

a vacuum, remembers its past,  
tenders digital immorality:

the wings  
of processed obsolescence,

a fandom uncertified as oblong ledgers

risking uncertain dismay  
in the fallow offshoot

palming its last leaf currency

## Consonantal Breakfast

Hieratic nepotists declare

## Contemporary Cant

Categoric paradigms  
deepen.  
The seafood trolley

No martial artichoke

Neon acetate

## Crossing Borders

Inharmonic vestal alliance  
vexed over albatross wreaths:

blue crescent slowly rising,  
tints the tumid scent just as it's  
drifting  
away.

The wash of fertile indignation  
in matters of glib fixation shifts  
from pointed emphasis, an  
erosion

of structure. Glucose sodomite  
ruptured spins elastic,  
iridescent dalliance in posters

Incandescent credenza blotters

Rare sectors freed subtle textures,  
their emblems translucent.  
Lines vector sentiment's boundary

the last night's uncaring display.

## Crossings

Vestal rumors imagine  
Pilates transcripts overtaken  
during remedial panegyrics.

Inverse scrutiny unravels the jackal threads.

Instant theoretical residue  
puffs the imagined grip, raking  
foetal amnesties from their subplots.

Conjecture evokes a nostalgic animosity.

Self-retrieval fast forwards

remembered as the forgotten

## Edifice Wrecks

The frontage of it, manly, intestate,  
percolates, stolid

as its tooled diameter intimates,  
intoning virtuous realities,

an escalation to bitter exhortation

where pestilence seeks to follow.

No angel fears its mirrored dread

The anagram feeds dead kings their belfries,  
of poor latitude.

The bellicose evanesce;

## Empire in Decline

Spring in the afterbirth of pneumatic referenda  
rapidly attenuates, the stigmatic hillock its tenor.

The shaft:

an enigma trestled  
a honeymoon in stacked peregrine.  
Its nettled fancy

unnoticed, their breeding insecure

The Roman bathhouse, nude, obscures

Lantern ambiguities a lathered wedge,

## Rapture of the Shallow

The restive vigils prevalent suits  
where transitive. Dichotomies hedge  
festered leather suggestion boxes  
grown luminous from orange rhymes.  
Witness its own, some tested forage

and misses.

Arresting self-reflexive prophecy  
girdles bitterly anointed litigants  
pointing tongues at gestured flesh.

Their lugubrious assets  
dwindle hair-tossed windows.  
Luxuriant apostrophes candor  
radiant synaptic apertures,

transgress nominal transcendence.  
Vagaries implicit in handkerchiefs

swollen to apnea reels,  
feeling explicit handles

rub their vacant dawns with candor

## Rebellion

Incidental languor  
follows, beloved absinthe  
a mockery

downed as nectar. The figurines  
tremble, emerge:

plausible rumination  
exceeds its danger, the timbrel  
urgent to banister capers

a vision  
frowning its hectored  
disciples to the past's dismay.

An urgent renegade  
encumbers the pace of its candles

## Retrograde Diversion

The inferential lucite scoundrels  
remiss their referential needs: a tantrum  
no statistic could utter  
whether its foresight intended

or not.

Reciting nostrums  
reiterating rude implication, no innuendo batteries  
charged

what muttering intended.

Scenic palpitations dismissed  
their restive substitutes. No festive quandary  
delayed

their gesture engines, starting

motives intact. A swift removal  
shifts

the entranced votaries

to threadbare luminosities

where publics display their

meddlesome fish. The reiterated  
injunction abdicates nettlesome conjunctions,  
delicious

## River Basket Redux

## Rope Rage

The lariat's slow invective swipes

furrowed boundaries.

A wire barbed

Accounts of this broadcast may not be inseminated

The maximum allowable depletion tank

## Upping the Ladder

Cistern lumbago sunset renewal  
calibrates rural diameter offspring.  
Threaded entries iterate tension skies.  
Enameled parvenue trammelled offerings.  
Cuffs rotor linked tomorrow's rough glitter  
entreaties. Foreground applicants went  
number than canceled enumeration.  
Enough counting underwent mounting  
innuendo ladders. More intent on clattering  
than resisting letters, new parameters insist  
on vacant tatters, adding another ill pursuit.  
When it relates to resetting new vents  
the clamor bedrocks berated seals  
against ascent. Whispers climb wet  
centers, feed on dead breath.  
Whenever went before them last,  
made the first return, counting earnings  
untenable. Fractious sentiments accrued  
looks of furtive ledgers, stolen by decree  
or tactic. Actual plundering berates viscosity.  
Eager deals went on and on, venting  
splenectomy futures: batter garlic pretensions,  
a somnolent ooze. No matter whose mentor  
ventured loose, invention preferred to choose  
a better motto. Incendiary fixtures loosened  
throttled ambition megaplex varieties. Annexing  
negative pediments begrudges the nest  
its fixed addresses. With excuses to match  
fires with light pigmentation, a sample testing  
its amble to fruition. No futon massacre  
encumbered wreckage onslaught, nor past  
diameter vendors regardless of fuselage.  
Evident tacticians recede, irreverently  
discoursing the surge of referential dialectics,  
urgent as the scourge on their ascent.

## Urban Haunts

Sonorous gossamer contract threader,  
deluxe ruminations a penthouse foregone.  
New rudders of sentient didactic  
tousle the intact but reddened imitation  
sconing buttered waters. A sylvan misery  
misbegotten, stadium entreaties belong  
under the tight hew, a new residue  
of the long forgotten short of it  
gleaming. Onerous deadening factors,  
lipid to the bore but real to the aureole,  
fly a crescent livid festoon. Archery  
before thought zens impedance.  
Enamel gourd frenzies lattice when the  
boundary lessens, the temperate  
brewing serious. Obdurate lee snatchers,  
imperious, with the goods showing lozenges  
under their slanting banned velcro lids,  
share bedlamite tonsorial futures  
where jackdaws claw under median  
divination's rancid trance mosaic  
or say revenue chairs play musical  
absence. Under their praying, vectors  
heir to intense retractor shredders  
ensure montuna zombies inherent bliss  
or physical plenitude, as the need  
may replicate. Savage splendor gourds  
rewarding somnolent gossips their true  
apportion of squandered apparition  
juice as reparation for substance  
or abuse as throttled headgear presents.  
Lavender sullies loosened wandering  
gully rituals. Invested with nominal headgear,  
trumpet messages brassy substitution  
clamor. The enamored vacant for footage  
as a wavering multitude's self-encroachment  
desists the threat of its crystal glamour

pattern. Aching among delusional dynasty  
fabrics, torn dysfunction rumors warn  
the timid to stay the fray of its calling.

Age of Wonder Bred:

Mortuary tunics await. Tangential

salute their moribund cities.

Nightshade inherits the bloom

urgent as breath. Of life internal

## Urbane Reflecting

Peripheral lucite panegyric triad  
loosens the fad. Tending ocular riffs  
or lifting magisterial precis assemblage  
lightens before dawn triangulation  
banners, gone despite the padding  
comforters of cotton-mouthed rhetoric  
swamping their designer moccasins.  
Where kinder templates renewed,  
old transparencies rendered ineffectual  
as gifts of precise intention flattered  
the gone. Before its rendered artifact  
or tactic long vented in the cold,  
breezing verbiage kept it, withheld,  
apparently, or less, a sorely invented  
triumph, raging at the empire gates.  
Or, under a similar grating stance  
of circumference, arrowed straight  
as the faded arc the triumph displayed  
along the inquiry's projected line.  
Their pantry horses uplift illicit spirits,  
ferret omnibus satchel chasers  
from the weeding recently overgrown  
to proportions whose distortion rings  
true to overtime goblets at the carousel  
mutiny. Apportioned a backslider's disarray  
or noon spent betting hedges on transfer  
relays, legends crash against a regaling moon  
at half-crescent. Indecent implosion  
regrets its half-time denial. Its course  
races through, slender subtones chasing  
the last breath of its jaded lament.
