memories of the eaten before their bloody crucible
wastes the flavors of belated essence, favoring
in steadfast irony the breaded glitches that wastrels
spread across homilies that lag in their pursuit
of crowing seasons where egos harvest mirrors
that echo their land of aching platitude seizures
while dreading patches of thirst. They relay
their heads to crossed sandwiches, souls stapled
under toothpick wedges, dotting their chamomile
legends with jurors seeking out lurid displays
of dressing. Variables peruse the matter, climbing
taller scalpels for higher futures undercut
at a pencil's tainted leisure. Wary old forceps
tweeze new births of old ideas incarnate
yet again, as forever, wasting their search for where.

An argument stakes its freight on carrying the rhetoric of its own precocity. Or the paradigm shift would go unlifted to its cradle, a basket of empty arms to feed them. Wry coastals prosper in seeded regions. Ask any prosperity adjudicator. The answer will always be. The same as any other encounters itself. Never deny them the thrust of postal slippage.

frequently savaged against the
taxpayer's flannel outburst. In flames,
the very same principle withholds.

Recurrence fades into the grated meadow,
its postulates seeking repetition's marrow of security.

continue streaming *ad hoc* pervasives past the nominative agendas flagging the arrows of hot pursuit already passed into millennial sorghum tatters, tainting the admixture with affirmative faction partners dancing the *tete-a-tete* in lounges of the disunited. Closely-run spectacles watch the dust lather surfacing individuation platters that bear dry stocking remnants stalked as rather glaring tropes made in the staid podiums where asterisks bloom. The squatting footnote taught itself unquestioned answers endlessly qualified as resumes bought after the facture anomaly quotient rescinded its pectoral ambush of latter stages. The cargo implicit in its offshoot brushed the ambulant cages tinderred under torchlight finger ballads wearing gloves. No greater love disbanded its tenebrous husks or flattered the only side of its reciprocity dangled before thought could provoke its latent self-offense badgering. No dark suit could brandish the yielding statute storing the safe of its proclamation. Landfill anthems delayed the passage of its right to thunder. Antique panthers shelled the trees verbatim, or in hock up to their arrears. Where patient coronado classics rendered the condiments jurassic, impatience wet the hospital ferns, no hostility distended toward its pancreatic duties. Patriotic songs of arrival greeted the nation's proudest derivations, among them the swollen anthem of silent lungs vanished on a fishing ambition. Strafing the affect particles dampened the strategy vectors. An unrelenting attrition guided the nucleus to conjoin indefinite particles as parts of breach, a rhizome fallen short of branches. The news blanched a steroid heroine who bounced definite articles off the back seats of vacant vowel suppositories antlered in the rural confines. No expedition could teach it. Each soot particle refrained its broken-parted malady. Nobody would start the stanchion process without joining the clubs in a grope effort. Invasive streaming martyr displays reamed the somber catacomb factory outlets that outmembered the same club in competitive fraternization mentoring. Adjunct confessors spilled the lint. The monitoring procured a needed moment of exegesis under the fading scalp lines. Congenial substitutions replayed artifact conjecture wherever projections indicated a rotor of acceleration during the plastic hemisphere waddle. Every secret pursued brought back an unraveled redundancy, sexy as a used negligee convertible.
