REACHING PAST THE LURK OF ITS PRESENCE

dipping acrid scents in aleatoric waters juices the space dancers whose revolving breath voids reparations frenzy where crystal folly finds its acumen uprooted where besotted pillars threaten their collected sequins. Uprooted sounds batter intestinal breaches rebounding catwalk animation clatters. Radical fashions juncture radial luminescence for bituminous frigates while amulets resume their fast swelling. No tides dare drop-leaf a permanganate souffle around somnolent conjunctions dangling threats. Whatever its patronymic backdrop swelling, the distal perimeter specifies junctures rations acclimating fashions to the nearest spreadsheet, a sounding board for contracts holding transitional intestines. Reaching through plenary apertures, late term proportions texture carriages before the tenor reflux variant slices the bituminous after-fact. Ludicrous overture handles unveiled prenatal taxidermy procedures registered to external stimuli. Harsh modulation hampers zipper artifacts where apertures made ludicrous victims. Beginning with a site of aberrant tribulations, the numismatic molestation freedoms ladled animal precursors to fragment the band. Vast mutations battered hamstring permutations through their seams, volley after volley returned to the ladles hatching brewery masters in subgum thickets where inventory renewed its statuary visage. A bevy of torn loincloths, worn as suitor persuasions, gathered in the assembly blotter, flagrant as a suede neutrino. Splayed forms lathered the story to a fortune teller's climax, radical injunctions withering under the coastal frost. Impaired continuity delayed juxtaposition settings marble as stately nostalgia, while hampering reliquary statute delinquents to harsh crossing benefits. While stray forms of dormant inversions delayed garbled catacomb lectures, polarities confined other versions to war-shorn repertoires duplicated under intuitive recessions played to the last handle standing on the fork path, no choice left to right. Middling clamor dances stepped askance from the upheaval, querulous as the surrounding mist sounding bits of distillation fragments skewered past resembling. Delayed shipping restores the glamour to reductive consumers. No forthright monolith conjunction ever weeps at refined disparities that part with worn returns pursued as though its amulets presume to swell past tidings beyond the breakers' crescent obligato, shadowed lights varied in the distance. Ineffectual patter eclipses the moraine before attenuated tidings stored in a gory basement snatch bandits from caste relief pressing their attenuated lumbering against a world of warring cadenzas. Small matters reached platelet soliloquies before the tenor souped its radial from the stillness that sequestered its promenade. Passage infers a palled cast calling its smell, a passive aggregation of fantasies seeking symphonic rebukes from clarion masters hitched to vitriolic condiments random as another sunrise invokes motor dividends or a slow massage, its subtext invective. Victims of pineal massage convert their breath to enunciated race shark tablets, rousting reciprocal entrails treatises in parsimony thickets. The gladdening presumes epithet frenzy swallows remastered velocity panels bifurcating a textual anomaly with a stamping analogy spender, no cost accrued beyond glittering resumes shorn from newly dreaded truckstop mucilage. Tragedy filter marks lumber across the glow where the spoon souped nostalgia emanations from paraquat files smitten with plastic mosaic treatises parking the landfill hammocks at the latest referendum. Creaking files attenuate puerile longings, surrounding thoughts or past returns in the search for a textual anomaly or megaton sequence fodder. Its pulse sequential as a horizontal mosaic, the motif fills its lecture with snake basket palpitations hidden among the guardian riots. Ergonomic phrase shifters deplore pataphysical caution markers caulked to prevent attenuated cadenzas from spillage to darkened favor gathering corset nodules at sunset.

Glottal sunshine epithets

A luminal surface products the brand
at its seedy holster flakes.
Meanwhile, back at the oracle
plodders beg, tentacles extended,
for extended transport warranties:
the journey is always the last to go.
Mongrels ferret mongoose tidings
from past apples. Briny threats filter
distention brackets. Learning fast grace
allows brick slippage, a footpath
to the gate beyond following. Its fields
uproar elemental precursors,
a tidy fabric bracing for steel's erasure
or a blockage fried for picnic batter.
Up from the mines, the lanterns quell
styrofoam protests against bottled imagery,
assertions for lasting plastic coming
fully grown. A glass blower's filtered intrusion
casts epithets to the needy, when
a night's arrest will filter down
the pathway avenues to stark renditions
of terra squirming against the breasts
